ATTENTION HIGH SCHOOL COUNSELORS

Stephen F. Austin State University will host three counselor workshops in December in the Southeast region. SFA representatives from admissions, financial aid and other areas will present important information for you to take back to your school and help students. As you may know, starting in 2021 all high school seniors must complete a FAFSA application. This workshop will help you prepare and become more knowledgeable in prepping your students for their college experience.

SCHEDULE A FAFSA NIGHT

Contact SFA's Office of Student Financial Assistance to schedule your high school FAFSA night. Our counselors travel to you and share general information about the FAFSA application and how to apply.
